William Bradfield  
Project Coordinator  
Defense Against Diabetes  
Lions District No. 11E1

Dear William,

Thank you for sharing the important work being done by members of the Lions District No. 11E1.

It was exciting to learn about the success of your recent "Defense Against Diabetes" project and your efforts to expand the program through the Lions International Foundation. As a member of the Senate Diabetes Caucus, I am very aware of the impact of diabetes and visual impairment on individuals and families. The work you are doing is critically important. The number of uninsured and underinsured individuals you were able to serve and the results you have shown are inspiring. I commend your partnerships with health care leaders and providers in making this project such a success.

I applaud your efforts and look forward to hearing about your continued progress and efforts to expand your good work.

Sincerely,

Debbie Stabenow  
United States Senator
